The Newsletter of the Stockton Dixieland Jazz Society

December 2020

Issue 9

The SJDJS wishes you a wonderful and a very Merry Christmas and a Happy, Healthy New Year 2021

What? Our SJDJS sessions are Canceled???

Yes, as is most everything!

Canceled is a word all too familiar to us.

2020! A year that will go down in history as one never to be repeated.

Your Society continues to act on the side of abundant caution.

For the near future we remain "On Hiatus." We hope you understand!

It isn't like we have a choice anyway!

The Elks Club in Stockton remains closed (*as are most all Elks Clubs.*)

We will post notices to you about our coming meetings or cancellations on our website: sanjoaquindixielandjazz.org

Members who have opted for US Mail will get their updates in that manner.

Judy Hendricks has worked in and around the Sacramento Jazz scene for many years. She does a great job with her publication called the "Jazz Chronicle". As we read this month's Jazz Chronicle, we find that all nearby jazz societies are remaining closed through December 2020.

Also on hiatus are most of our great local bands at their respective venues. Yes, it is "on hiatus" for Festivals too!

Alternative! Some really great Live music events are being Live-Streamed.

Judy's Jazz Chronicle is excellent for directing you to those sites.

If you want to know where OKOM is happening we highly recommend Judy's Jazz Chronicle (And...It is Free). Want more information?

send a request to Judy Hendricks: realjazzjudy2trad@yahoo.com

Our Vice President/Music Director Carl Kaiser has been talking with our previously scheduled bands. They are ready to come back to SJDJS and entertain us as soon as we are "Open for Business".

Our President Frank Lindksoog has regretfully submitted his resignation as President of the SJDJS. He is moving to Reno. We wish you well Frank. You have been a Great Commander in Chief! As President Emeritus, Frank has appointed Dick Lockwood as interim President. We will hold regular elections of officers when we again meet.

YouTube Homework: If we were meeting and jamming in December your jammers would have played this tune for you!
