THE SAN JOAQUIN DIXIELAND JAZZ SOCIETY
Invites you to join us at our next Music Session!

Sunday, March 6, 2022
12:00 noon to 5:00 p.m.

The Stockton Elks Club
8900 Thornton Road
Stockton, California

Featuring Music by

"The Hobnobbers"

The Hobnobbers are a group of five highly-trained musicians specializing in Dixieland/Traditional Jazz music. This versatile group will possess a laid back style but will, on occasion, rip off a fiery chorus or two to keep the audience and band members honest!

Some regard the instrumentation as a very pure jazz sound, simplistic, but expertly played as it is very close to the instrumentation of Louis Armstrong's Hot 5 group from the 1920's.

The only difference from the Hot 5 is a bass player in place of a pianist. The music is both to be listened to and is quite danceable.

Band Personnel:

Bill Sharp - Trumpet / Vocals, Leader
Otis Mourning - Woodwinds
Carl Kaiser - Trombone
Bill Dendle - Banjo / Vocals

Darrell Fernandez - Bass

The PUBLIC is WELCOME so bring
your dancin' shoes and dance the day away.
We hope to see you, plus some new faces too!
Please SHARE this email with friends or anyone
you think would like to join us.

Delores Valente-Moreira

Sadly, we report the passing of Delores Valente-Moreira on February 3, 2022. Delores had a love for life in general and, in particular, she loved Dixieland Jazz music. Delores had faithfully served our San Joaquin Dixieland Jazz Society for many years as President and Treasurer.

Among her surviving family members is her sister, Geri Eckert, vocalist and our current SJDJS Treasurer.
